DIY: A Beginner's Guide to Landscaping

Do not forget your hardscape when it comes to your landscaping plans. A deck or patio is an important aspect in your landscape's appearance. There are many options for decks and patios that include rock designs or woods that coordinate with the colors of your trees, shrubs and flowers. Do not forget this important aspect.

The Essential Steps to Landscape Design | DIY

Landscaping kept free of dead and dry plant materials, ideal kindling for fire, along with fire-resistant plants creates defensible space. This provides a protective radius around your home that not only guards against wildfires, but also gives firefighters a safe area to work from when defending your home surroundings against a fire.

Guide To Help Landscape Your Garden - Landscaping Lovers

You have two good choices for the best weed barrier—organic mulch or high-quality landscape fabric. (Don't use black plastic. It doesn't allow rain to reach plant roots, and it traps water vapor, which facilitates the growth of mold and mildew.) An organic mulch such as shredded bark, in a layer several inches deep, will help control weeds.
