15 Designer Tips for Living Large in a Small Space | HGTV

When we left Atlanta, we were living in a 3 bedroom house. In comparison to other people's homes in the South, it wasn't large by any means, but now that we've been moving every year, we realize that we don't need all that space. With the higher cost of living in NYC, we knew something had to give.

Small Space Living | Living Spaces

This cozy little space shows how small living room decor can quickly become an art form given the right pieces. In this room's case, the abstract white sculptures on one wall and the feather painting on the other would probably point to an oceanic theme, but when you get to the blue area rug and notice the flowers, you begin to wonder if the room really is following a specific theme.

New Yorkers Living Large in Small Spaces - YouTube

A common mistake we see in small homes is maxing out on the small scale furniture to save space. Please, no more doll house living! Mix up the scale with a few larger statement pieces, or utilize your wall space with large scale art (ahem...see above) to add some heft.
