Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

CIMA - My CIMA Login
Logistic is a way of Getting a Solution to a differential equation by attempting to model population growth in a module with finite capacity. This is to say, it models the size of a population when the biosphere in which the population lives in has finite (defined/limited) resources and can only support population up to a definite size.
