Nadine Gordimer – Prose Loot. Once upon our time, there was an earthquake: but this one is the most powerful ever recorded since the invention of the Richter scale made possible for us to measure apocalyptic warnings.. It tipped a continental shelf. These tremblings often cause floods; this time it did the reverse, drew back the ocean as a vast breath taken.

Like all short story collections, Nadine Gordimer's Loot and Other Stories has hits and misses. In this short collection of 10 stories, Gordimer shows an impressive range in these deeply thoughtful, sometimes flawed stories. Maybe I'm just not smart enough, but I struggled to follow some of the more contemplative stories here.
