Shakespeares ...

Macbeth is a play set in Scotland, and the whole play is about a regicide and its aftermath. The play begins with a sinister scene featuring the infamous three witches. This immediately creates a sense of unease and disorder about the scene, as the audience is captivated by the unnaturalness, and the uncanniness.

How does Shakespeare create a sense of evil in MacBeth ...

Macbeth senses that the murder will change his life, by making him king, but also by unleashing his dark ambition on the world. By the end of the speech, he seems to have decided against the murder, but his wife will soon talk him back into it.
