MHT200 progressive scan video switching problem | Audiogon ...
After W.C.E.S. in January of 2001, my audio dealer asked me if I'd be interested in a new home theater receiver that McIntosh was introducing at around \$5K. I told him that if it was truly a McIntosh, and pending the usual home trial, I certainly was. It's been a long year: but last month, they started shipping the MHT100 receiver.
