A Ghost & Abby Mystery Series by Jo-Ann Carson

Midnight Magic is a cute supernatural story about a single mom who is dating a ghost, works in a haunted tea house, and decides to become a private investigator. The story is lots of fun even though it is a bit silly, and there are a couple times when the main character does really stupid things. This book has sex in it as well as light cussing.

Midnight Magic A Ghost Abby

Midnight Magic by Jo-Ann Carson is the first tale in A Ghost & Abby Mystery series. I thought Midnight Magic was a lighthearted magical story with a cast of unique characters.
