Updated every hour with fresh content, Centsless Books provides over 30 genres of free Kindle books to choose from, and the website couldn't be easier to use.

Brogan, Modern Control Theory, 3rd Edition | Pearson

Modern Control Theory (3rd Ed) was required reading for a graduate course I took on the subject. I took this course with very limited knowledge of classical control theory (Bode and Nyquist analysis, etc.), though I did have a good amount of intuition from practical experience. The text is well organized and very readable.
