Monopoly Capital: An Essay on the American Economic and ...

Monopoly Capital: An Essay on the American Economic and Social Order is a 1966 book by the Marxian economists Paul Sweezy and Paul A. Baran. It was published by Monthly Review Press. It made a major contribution to Marxian theory by shifting attention from the assumption of a competitive economy to the monopolistic economy associated with the giant corporations that dominate the economy.

Monopoly Capital: An Essay on the American Economic and ...

In "Labor and Monopoly Capital" Braverman provides detailed overview of labor process in the history of capitalism. The author embraces the themes of capitalism, Marxism and job satisfaction. More than anything else, he tends to answer the question what changes in labor process were brought by capitalist system. It seems that Braverman deliberately defines working process as degradation ...

Monopoly-Finance Capital | John Bellamy Foster

Monopoly capital theory states that capitalism undergoes phases of evolution and transformation. In some of its dominant institutions change significantly over time. It also states that historical changes toward greater concentration of industry need to be incorporated into the edifice of economic theory.
