Roald Dahl's first full-length adult fiction is immaculately phrased, crisply turned, and terribly disappointing. What one anticipates above all with Dahl (Kiss Kiss) is an inventive notion, and the farce notion here is one that's been diddled around with in dozens of books and stories already: collecting sperm from famous men and freezing it for future sale re artificial insemination. DaM's ...

my uncle and a certain female leper in the Sinai desert. So far so good. But I waited a full ten years more (1974) before risking the release of a second piece. And once again I was careful to choose something that was, at any rate by Oswald's standards, as nearly as possible suitable for reading by the vicar to Sunday school in the village ...
