The Indiana Society of Mining and Reclamation

(ISMR) formed in 1986 as an advisory to then DNR director James Ridenour.

Initially it was called the Coal Mining and Reclamation Task Force (CMRTF). Shortly thereafter the group identified a permanent and ongoing need for such a diverse and professional group.

DNR: About Us - Indiana

These activities are under authority of, and enforced by current State and federal laws enacted under the federal Surface Mining and Control Act of 1977 (SMCRA):

Office of Surface Mining Reclamation and Enforcement (OSMRE)

The Office of Surface Mining Reclamation and Enforcement (OSMRE) is the primary regulator of coal mining under SMCRA until a State or Indian Tribe demonstrates that it has developed a regulatory program that meets all of the requirements in the SMCRA and implementing regulations issued by OSMRE (30 CFR Chapter VII). When a State or Indian Tribe ...

OFFICE OF SURFACE MINING

These programs are a cooperative effort between Indiana and the federal Department of the Interior, Office of Surface Mining, Reclamation and Enforcement (OSM). DOR also administers the state laws (IC 14-36) pertaining to the mining of clay, shale and oil shale. These are typically small operations impacting much smaller areas than a coal mine.
