Olympic Cities: City Agendas, Planning, and the World's ...

The first edition of Olympic Cities, published in 2007, provided a pioneering overview of the changing relationship between cities and the modern Olympic Games. This substantially revised and enlarged third edition builds on the success of its predecessors. The first of its three parts provides overviews of the urban legacy of the four component Olympic festivals: the Summer Games; Winter ...

(PDF) Olympic cities: City agendas, planning and the world ...

nificance of being an Olympic city. After recognising the Olympics as a mega-event with inherent mega-project tendencies, it provides a chronological survey that shows the changing agendas that host cities have brought to bear on staging the Games. The increasing scale of their ambitions is noted, particularly with respect
