***Originalism In American Law And In the context of United States law, originalism is a concept regarding the interpretation of the Constitution that asserts that all statements in the constitution must be interpreted based on the original understanding of the authors or the people at the time it was ratified.***

***The Paradigm of Originalism: Israeli Constitutional Law ...***

***Originalist jurists frequently turn to the common law of the Founding Era to illuminate the meaning of the Bill of Rights. This practice resonates with Founding Era protests against the initial body of the Constitution, many of which claimed that it failed to secure common law rights for Americans. But which common law?***
