For this tutorial, let's try an interesting frame effect, using a really interesting free plugin! We'll be using Toadies Blast'em. We're going to take this image: And frame..

Paint Shop Pro - LiveJournal
This was originally posted by kevinr way back in 2003, and since it's a trick I still use, I thought I'd post the information again. If there are decorative fonts, or other fonts, that you only use from time to time, they don't need to be 'installed' in order to use them in PSP7.

PaintShop Pro: Photo Editing Software by Corel
I was chatting in one of my recent posts with tethys_1684 about making icons. Now I know most icon makers use Photoshop but I learned and have continued to use Paint Shop Pro by Corel. I am currently using the PSP X2 Ultimate edition and after almost two years of using this program everyday I still..

PaintShop Pro Tutorials - Corel Discovery Center
Two years ago, there has been spoken of reviving this community with new tutorials. But it has remained silent, wich is regrettable. There is a lack of communities like this, with Paintshop Pro tutorials, perhaps because the majority of people use Photoshop ?
