Liz Wells- Photography a Critical Introduction - Book review
Wells, Liz. (2009) Photography: A Critical Introduction (4th edition). Abingdon: Routledge photographer would be regarded as illegitimate behaviour, yet the aesthetic demand for well-composed shots remained. Documentary photographers, too, took considerable pains to control the nature of a scene without making any obvious change to it.

Photography: A Critical Introduction : Liz Wells ...
Photography: A Critical Introduction. Surveying the spectrum of photography from the mid-nineteenth century to the present, Photography: A Critical Introduction is the first book to examine key debates in photographic theory and place them in their proper social and political contexts. While most histories of photography invariably focus on...

Photography: A Critical Introduction - Google Books
Liz Wells- Photography a Critical Introduction - Book review This book is described as an introduction to the theory of photography and is a recommended read for anyone studying photography at a higher level of education or entry level college course. For me this was a much easier read than Graham Clarke's "The Photograph".
