Physicalism, or Something Near Enough by Jaegwon Kim

Physicalism, or Something Near Enough Book Description: Contemporary discussions in philosophy of mind have largely been shaped by physicalism, the doctrine that all phenomena are ultimately physical.

Physicalism, or something near enough in SearchWorks catalog

Physicalism, or Something near Enough. Jaegwon Kim. ... This paper identifies and critiques a theory of mental causation defended by some proponents of nonreductive physicalism that I call "intralevelism." ... Although of a reductive "disposition," micro-sociological theories instantiate something more like "reductive explanation," whereby ...

According to Kim, then, while physicalism is not the whole truth, it is the truth near enough.

Physicalism, or Something Near Enough - Philosophy of ...

The causal efficacy of qualia, therefore, is not entirely lost. According to Kim, then, while physicalism is not the whole truth, it is the truth near enough.

Physicalism, or Something Near Enough

In this chapter, Physicalism, or Something Near Enough, the Author really tries to address the Mind-Body problem. They state rather clearly that there are still many questions which need to be...

Physicalism, or Something Near Enough (Princeton ...

The "or something near enough" in the title is due to Kim's conclusion that phenomenal states (qualia) are irreducible, epiphenomenal states, which form the "mental residue" of the universe. Now, how in the world you get phenomenal consciousness from arranging bits of matter throughout the course of evolution remains a mystery for the physicalist.

Physicalism, or Something Near Enough : Jaegwon Kim ...

His Physicalism, Or Something Near Enough adds some new and original arguments and provides some valuable emendations and elaborations on previous arguments. Of the three major '-isms' in the philosophy of mind-physicalism, dualism, and idealism-only physicalism ought to be taken seriously because dualism and idealism cannot account for the possibility of mental causation.
