Piano Scales Book: Video Lesson 1: Basic Piano Techniques

In classical piano technique, arpeggios and broken chords are studied as separate technical challenges. A broken chord is simply a chord played one note at a time with no "thumb-under" movement. An arpeggio is a chord spread out over one or several octaves, using a "thumb-under" movement to pivot from one position to the next.

An Arpeggio is any chord that is played one note at a time, instead of the usual way, which is by playing all of the notes at the same time by pressing on each of the keys simultaneously. Take for example a C major chord. To play this chord, you would press your 1st, 3rd, and 5th fingers down on the C, E, and G keys at the same time.
