Name of textbook: Raven, Biology Edition: 9th Author ...

I bought this book for a Biology course I am taking, which recommended the 10th edition, however this edition has been exactly the same. No silly chapter swaps, or anything of that sort so far, no missing information, etc. It was also about 160 dollars cheaper than the 10th edition, which makes it a pretty nice deal.

Notice I didn't say "textbook" because this book is definitely readable front to back. Raven Biology has always been known to be complete and thorough in previous editions and this one is no exception. I have been a Biologist for 34 years and this is one of the Biology books that I seek out for updated editions. I have not been disappointed yet.
