books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Our Story – Ready Readers

I had read the first two books in the Chronicles of the One series and really enjoyed them. The magick and science blend was well done. The pacing was perfect. So I was really looking forward to this third and final book. And it did not disappoint! We continue learning more about the characters (one of my favorite things about this series).

Edition

I agree Chronicles 1 and 2 probably are much more interesting after skipping around the Bible or reading it after a hiatus but if one is reading in order then Chronicles repetiveness can bring a reader to their knees! I've been stuck for awhile now and think I'll scan through and come back for a refresher later on!
