**Re: Owners Manual Pannas, I
have the manual for a Regal
1988 Commodore 277XL, if you
think that will help you let
me know, I can photocopy it.
It is about 1.5" thick so it
could take me awhile. (I
would have to do a little at
a time a work). I do not
mind doing if you need it.
There are some differences,
but it should be close
