Amazon.com: resident evil strategy guide

Resident Evil (called Biohazard in Japan) was one of the first survival horror genre games to be released. The game was released first in Japan on March 22, 1996 for the PlayStation and was met with high success. It was then released in North America on March 30, 1996 and was one of the highest selling PlayStation games of all time. It was also remade for the
