Extinction Point (Extinction Point, #1) by Paul Antony Jones  
Revelations, the third and final book in Paul Antony Jones' Extinction Point trilogy, is aptly titled, for it is a book about revelations. The real origin of the red rain, the purpose of its arrival and destruction of the planet, and what these revelations mean for humanity — that is the big question that drives the series as a whole, and whose (not-so-shocking) answers are finally revealed in this third novel.

Paul Antony Jones (Author of Extinction Point)  
I would try another book by Emily Beresford who narrated the book, however I won't be reading any more books written by Paul Antony Jones. What do you think your next listen will be? I am currently listening to Night Film by Marisha Pessl and it has nearly made me forget the horrible experience called Extinction Point.

Extinction Point - Book Series In Order  
This is the third book in the series and was originally going to be the last in a trilogy, but Paul has hinted that there could be other books added to the extinction point theme. This book is an enjoyable read and I wasn't disappointed with some of the ideas used in the book, the alien world is unknown (hence the word alien) and anything could ...
