The source of a river is often in upland areas. Here, high levels of precipitation (rain and snow) combined with steep slopes and sparse vegetation result in water flowing overland. In the upper course the river bed is narrow and rocky. As it moves over rocks, the water becomes turbulent and appears fast-flowing.

"The River and the Source" vividly portrays the grace and strength of a family matriarch - the wife of a tribal chief - in precolonial Kenya. It follows her and her family through the colonial years, shows the family's conversion to Christianity, and follows the family for several generations to the present.
