HodgePodge Press
Ryan the Black Caiman is Shannon's first children's story, written for her son as he studied the black caiman for his Quest research project. He wanted a way to not only learn about the black caiman but also help them and their habitat. Brainstorming together yielded the fable: Ryan the Black Caiman and His Unusual Friends.**

Caiman - Wikipedia

Caiman, also spelled cayman, any of several species of Central and South American reptiles that are related to alligators and are usually placed with them in the family Alligatoridae. Caimans, like all other members of the order Crocodylia (or Crocodilia), are amphibious carnivores. They live along the edges of rivers and other bodies of water, and they reproduce by means of hard-shelled eggs
