This is a very handy, tiny but effective, overview of Salgado's work. It covers his different subject matters he's so well known for and also a good retrospective. The one thing that I have to inevitably point out is that some of the photos really, really need a larger medium than this Photofile edition.

Sebastiao Salgado (Photofile) - 000000 000000

"On a more technical front, Sebastiao Salgado spoke about film vs. digital. He no longer shoots with film as the reasons to go digital mounted up.?The silver in current medium format films, are currently at levels that 35mm was 25 years ago.?The 600 rolls of 220 he carried on shoots weighed about 60 lbs.?"
