The audiobooks are read by volunteers from all over the world and are free to listen on your mobile device, iPODs, computers and can be even burnt into a CD. The collections also include classic literature and books that are obsolete.

EE 3054: Signals, Systems, and Transforms Lab Manual
Engineers must model two distinct physical phenomena. First, physical systems are modeled by mathematical equations and physical signals are modeled by mathematical functions. For designing electrical systems, their characteristics must be studied..
