Trends in violent crime | Australian Institute of Criminology

Cultural diversity in Australia. Australia is a nation made up of Aboriginal Australians and a myriad of immigrants, some of the earliest of whom trace their ancestry to Britain (for a brief history of Australian immigration and policies post WWII, see Poynting and Mason 2007).While Australians' attitudes toward immigrants have varied over the years, Pietsch and Marotta note certain patterns ...

CHANGING PATTERNS OF POPULATION DISTRIBUTION IN AUSTRALIA

Violent crime, with the intention of causing (or threatening) physical harm or death to the victim, attracts more attention and debate than other forms of crime. Sustained media attention combined with high-profile incidents, have prompted the view among the Australian public that violent crime is increasing. Trends in violent crime reported to police since the early 1990s however, reveal a ...

Social security in Australia - Wikipedia

Is there a pattern to bullying? Australian research has revealed that bullying peaks in the middle primary school years and the first year of high school. This appears to be related to the rapid changes in the social skills and social demands for students at these stages. Some other general patterns of bullying have been identified.

Australia - Australia - Settlement patterns: Australia has not yielded readily to development by Europeans. Even on the relatively favoured eastern periphery, the first European settlers were perplexed by the environment. Later, when they penetrated the mountains of the Great Dividing Range, they had to fight even harder against searing droughts, sudden floods, and voracious bushfires.
