Slides — Software Engineering 10th edition

The 9th Edition of my textbook on Software Engineering was published in March 2010. This is a major revision of the previous edition with extensive reorganization and 30-40% new material. See the preface for details of the changes and the contents list for information about the book's structure.

Software Engineering2 (Lecture Slides)

The latest (tenth) edition of my Software Engineering textbook was published in April 2015. I have extensively revised and updated the 9th edition to reflect some of the key challenges for software engineering. These are the need for more agile development, the need to manage system complexity and the need to build systems that are secure and ...
