Electrodynamics solutions .

Introduction to electrodynamics. Instructor's Solution ...

After reading a few other ENM books, I've come to appreciate Griffiths Introduction to Electrodynamics. By far the most insightful and easiest to digest. Even though he skips a few steps here and there in proofs which can be a nuisance unless you do the proofs yourself, Griffiths makes it as easy as possible to follow through the material.

• Page 4, Prob.1.16: at the beginning, insert the following figure
• Page 8, Prob.

Introduction to-electrodynamics-solution-manual-david ...

Step-by-step solution: Step 1 of 8 Suppose A and B are two vectors, the dot product of these two vectors will be written as $A \cdot B$. The dot product of the two vectors is the product of the magnitude of the two vectors and the cosine of the angle between them. Similarly the cross product of the same two vectors is
