This is the latest book to feature the characters from Stargate Atlantis after the Season 5 finale "Enemy at the Gate". Atlantis has returned to the Pegasus Galaxy and landed on a brand new planet. A new threat emerges during the Atlantis Expedition's exploration of their new home. A very well written story, and a worthwhile addition to the SGA canon.

Atlantis's adopted homeworld begins to threaten the city, Colonel Sheppard's team discovers that the creatures are both intelligent and able to communicate. Another victim of the Ancient scientist, Janus, the squid-like creatures reveal how they were abducted from their own world millennia ago—and demand Atlantis's help to return home.
