Survival: a thematic guide to Canadian literature ...

When Margaret Atwood's Survival was first published in 1972 it was received as an interesting reading of Canadian literature suitable for a decade preoccupied with environmental themes in Canadian culture. However it quickly became dated and subsequent reprintings of this "thematic guide to Canadian literature" contributed to distortions of Canada's literary heritage.

For early explorers and settlers, it meant bare survival in the face of "hostile" elements and/or natives: carving out a place and a way of keeping alive. But the word can also suggest survival of a crisis or disaster, like a hurricane or a wreck, and many Canadian poems have this kind of survival as a theme; what you might call 'grim' survival as opposed to 'bare' survival.
