Well, I never heard of a DS185, and if it has reeds, it must be a two-stroke. I HAVE heard of a TS185, though. Here's a '77 Suzuki TS185. The TS series of the 70s was Suzuki's 2-stroke line of dual-sports. Over the years, they were available in all the displacement categories from 90s up thru at least 250. 400's too, I think.
