The Alchemy of Stone - Wikipedia

The Alchemy of Stone is set in a steampunk city on the brink of a civil war, and divided between past and future, poor and rich, science and magic, represented by the factions of the Mechanics and Alchemists. The protagonist Mattie is an emancipated

robot that works as a alchemist, so she is truly divided between these worlds of science and magic.

Fiction Book Review: The Alchemy of Stone by Ekaterina ...

Excerpt from The Alchemy of Stone by Ekaterina Sedia by Prime Books Sedia ' s exquisitely bleak vision deliberately skewers familiar ideas from know-it-all computers to talking statues desperate for souls, leaving readers to reach their own conclusions about the proper balance of tradition and progress and what it means to be alive.

The Alchemy of Stone by Ekaterina Sedia - Helen's Bookshelf

My first experience of The Alchemy of Stone by Ekaterina Sedia was an exclusive novel excerpt in the Fall 2008 issue of Weird Tales, courtesy of Ann Vandermeer, who generously gave me a copy at Steam Powered. The serendipity of that issue was manifold: it was an international author spotlight, and for a Comparative Lit major, that's a rare treasure in speculative fiction.
