The Art of Pricing Great Art - The New York Times

Pricing work can be one of the strangest, most nebulous areas of an art practice to navigate. After all, the monetary value of art, unlike car repair, or say, furniture manufacturing, can't really be quantified by any set standard. There is no perfect formula for pricing your work, but here are a few helpful hints. Plan ahead.

How to Price Your Art - RENEE PHILLIPS

To gain confidence in your ability to determine whether, for you, a work's price and value are aligned, Levin suggests developing relationships with ten to fifteen young galleries—and make a point of visiting each of them once a month. "Much new art looks exciting in the context of the gallery opening or art fair," he said.

How Any Artist Can Price Their Art for Sale - Art Business

Along with a house and a college education, a car is often one of the most expensive things you'll ever purchase. Unlike with college tuition (which you can't negotiate at all), or a house (which you typically negotiate through a real estate agent), haggling over the price of a car requires in-the-moment, face-to-face interaction. The [...]

New billionaires in China, India and, above all, Russia, have also entered the market. The mysterious part of the current mania lies in figuring out what exactly makes a piece of art worth \$30 ...

Review: 'The Price of Everything ... - The New York Times

Great article!! So I am just starting to sell my art and I am worried that I will not find a demand for my art if I sell it at the price I want to. I read somewhere that if you price your art high, it will be valued high, which I want very badly. But I NEED a regular income as I do not have a winter job and I am going to college next fall.

Do's and Don'ts of Pricing Your Artwork | Artwork Archive

5. Price your art proportionately. The method that makes the most sense to prospective buyers and is used by most dealers is to price your art according to size. Obtain your square inch price by multiplying length times width and dividing your selling price by the total number of square inches.

How To Price Your Artwork - Agora Gallery - Advice Blog

Pricing your art is different from making art; it's something you do with your art after it's made, when it's ready to leave your studio and get sold either by you personally or through a gallery, at an art fair, online, at open studios, through an agent or representative, wherever.
