Art Of Woodworking Book

Woodworking is the art of transforming a piece of wood into a useful or decorative object or anything could convert in your wood project idea. Before buying little wood projects, useful wood projects, wood blueprints, furniture making plans, or any set of projects you want it's better to consider some things.

While I think woodworking itself can be both an art and a craft, at this point in my woodworking career, it's definitely a craft. I hope one day to reach a point where I consider myself capable of creating something out of wood that could be considered art. But for now, I am no artist, merely a craftsman.

TedsWoodworking - The Art of Woodworking | Secret Marketplaxe wooden replicas; My passion in the art of woodworking was wooden toy replicas. I not only had a passion for wood but also to create a scale working model of construction equipment. Having searched the web, I located a site (Toys and Joys) which right away put me in high gear. This does involve higher levels of skills and more shop equipment.
