You cannot speak with barbarians; you cannot reason with them. You can only beat them (or enslave or kill them). Drawing from the writings of the twentieth-century Catholic luminary Jacques Maritain, I argue that dividing the world between the civilized and the barbarous obscures both the universality of our sinfulness and our ability to reason together.

The Barbarians Speak by Peter Wells is a reasse There are bright spots, and sometimes stories that were later written down, but sometimes even those iffy sources are missing. We have some idea of the cultural landscape of central Europe from the first century BC on thanks to Roman records about the 'barbarians', but there are no native records to combat Roman bias and prejudice.
