The Circle is a book full of technological innovations, suspense, and moral questions, and I couldn't get enough of it. I really had a hard time putting The Circle down. I was immediately engaged with the story and completely fascinated by the inventions the company had created many of which would be convenient to have today.

The book cover says "an intoxicating tale of gods and heroes, magic and monsters, survival and transformation". Yes, that about sums it up, this great story. The only remark I would have is in the middle part, when Circe is with Odysseus, is a bit of a small dip, which is why this book just isn't. Amazing book, utterly fascinating and compelling.
