If you have an idea for starting a new venture, a business plan is essential to determine if your business idea is viable.

There's no point to starting a business if there is little or no chance that the business will be profitable - a business plan helps to figure out what your new business's chances of success are.

## Business Plan Definition (What Is a Business Plan?)

The Definitive Business Plan shows how to meet the four key objectives – formal documentation, funding, approval and operational management – that will make your plan a living working document. It will help you start, run or revitalise any business enterprise.
