The Doula Book: How a Trained Labor Companion Can Help You ...

Sacramento Book Review, June 2012"Has been a mainstay for both couples considering hiring a doula and women in training to become a doula for years...This book is a great place for women to start when looking to learn more about labor companions.It is full of valuable knowledge and useful personal anecdotes that pregnant women and potential doulas alike will find beneficial.

Buy The Doula Book: How a Trained Labor Companion Can Help ...

The landscape for doulas is ever changing, growing, evolving. With the new 3rd edition of The Doula Business Guide, Patty Brennan provides freshly updated resources and insights into the business side of being a doula. As a growing number of end-of-life doulas are pioneering new approaches to compassionate support at the other end of the birth-death continuum, there will be many who can ...

The Doula Book: How a Trained Labor Companion Can Help You ...

More and more parents-to-be all over the world are choosing the comfort and reassuring support of birth with a trained labor companion called a "doula." This warm, authoritative, and irreplaceable guide completely updates the authors' earlier book, *Mothering the Mother*, and adds much new and important research. In addition to basic advice on finding and working with a doula, the authors show ...

What is a Doula? :: American Pregnancy Association

I am a working doula and found this book to be of great value. I would think it is better for the potential doula rather than the expectant mother as a resource. This book clearly outlined the research studies to support a doula-assisted birth. At no point did I feel there was a political agenda attached to the content.

The Doula Book - Review by Tanya Green | Doula Training ...

Top 25 Books Every Doula (Birth Worker) Should Read. My first introduction to Doulas was the *Business of Being Born* documentary on Netflix. Several months later I was attending a 3 day Training in Austin, TX by a DONA instructor. I was the only Black person and person of color in the training.

The Doula Book - Review - MarasWorld.com

This book was an interesting look into the life of a doula, a job I did not completely understand before reading this book. The book unfortunately has all the hallmarks of a debut novel. The writing is extremely stilted and the stor Other women have babies.

The Doula Business Guide & Workbook - Lifespan Doulas

Dr. Celeste's Book Doula Program gave me step-by-step direction on how to self-publish my first book in just 10 weeks! Through this profound program, I received the encouragement and empowerment I needed to press forward to publish my book and pursue my purpose. Dr. Celeste is an amazing mentor whose grace and guidance is a gift from God!"

This book is also a definite read full of resources and information for those wanting to train as a Doula. Written by renowned authors Marshal H. Klaus, MD, John H. Kennell, MD, and Phyllis H. Klaus, MFT, LMSW, this book has been ...

The Doula Book: How a Trained Labor Companion Can Help You ...

This is a great book with a lot of information. A majority of it is studies and statistics which doesn't serve much of a purpose for me since I was more interested in learning how to be an effective doula rather than the effects of a doula. I would recommend The Birth Partner over this book to others interested in helping women through labor ...
