Puja Mehra reviews The Growth Delusion: Wealth, Poverty ...

Review: The Growth Delusion: The Wealth and Wellbeing of Nations by David Pilling. That ’ s not a reflection on the prose, which is sharp and engaging, but because much of what I write is based on a “ delusion ” — GDP data. Pilling ’ s premise is that the numbers reported by newspapers such as this one and his own, the Financial Times,...

The Growth Delusion explores how we prioritise growth maximisation without stopping to think about the costs. So much of what is important to our well-being, from safe streets to sound minds, lies outside the purview of statistics.

The Growth Delusion: Wealth, Poverty, and the Well-Being ...

The Growth Delusion by David Pilling — why GDP is misleading. The sale of stolen goods for cash contributes positively to GDP, for example — so theft is good for growth. A parent ’ s housework and childcare, however, being unpaid, are excluded — resulting, by one recent evaluation, in a \$3.8 trillion underestimate of the size of the US economy.
