The Knife That Killed Me (2014) - Rotten Tomatoes

The knife that killed me was a special knife. Its blade was inscribed with magical runes from a lost language, and the metal glimmered with a thousand colors, iridescent as a peacock's tail or the slick of petrol on a puddle. It was made from a meteorite that had plunged to Earth after a journey of a hundred million miles.

The Knife That Killed Me | The Times

The Knife That Killed Me is a journey through the memories of teenager Paul Varderman as he reflects on the events leading to the fatal moment his life is cut short. Paul moves to a new school and becomes involved with 'The Freaks', a group on the periphery of school life, those who don't fit in: scene kids, emo kids, indie kids.
