675: The Salesperson Paradox & Optimizing Daily Routines ...

If that isn't enough, your customers are demanding them. The Salesperson Paradox is a solution selling playbook that will teach you a simple, reproducible, and proven method to consistently give customers what they actually want. And in return, help you get what you want.

The Salesperson Paradox: A Strikingly Simple Way to ...

The salesperson paradox directs performance. To improve selling performance you have to move away from selling into helping. It is centered on the customer. Doug contrasts that with self-centeredness. Humans are innately self-centered but focusing on your own needs doesn't serve the customer. Helping needs to be your first goal. The successful sales path is: help the customer, make quota, then make money.
