Consulting is hard, and the secrets are guides to improving your success and survival rate, not any set of "magic wands". He addresses ways in which you can fail just as much as ways to succeed. In successive chapters, the book deals with the nature of consulting and the problems it can address, and how to develop your own mind so that you can see the problems and come up with possible solutions to them.

Successfully. If you are a consultant, or ever use a consultant, this book is for you. The author draws on his 50+ years of consulting experience to share his secrets about the often irrational world of consulting.

The secrets of consulting (Audiobook on Cassette, 1987 ...

The Secrets of Consulting confirmed a few things I ' d learned the hard way, and taught me several more before I got burned. I ' ve also drawn a few new conclusions by piecing things together from the book; for example, what I ' m really selling is advice, not execution, and I shouldn ' t be so quick to take control of the keyboard during meetings.
