The Theory Of International Politics

Theory of International Politics is a 1979 book on international relations theory by Kenneth Waltz that offers a new theory, the neorealist theory of international relations. Taking into account the influence of neoclassical economic theory, Waltz argued that the fundamental "ordering principle" (p. 88) of the international political system is anarchy, which is defined by the presence of ...

Theory of International Politics by Kenneth N. Waltz

Students of international politics use the term "Theory" freely, often to cover any work that departs from mere description and seldom to refer only to work that meets philosophy-of-science standards. The aims I intend to pursue require that definitions of the key terms theory and law be carefully chosen. Whereas two definitions of theory vie for acceptance, a simple definition of law
