Summary of "The Third Side: Why We Fight and How We Can ...

According to William Ury, it takes two sides to fight, but a third to stop. Distilling the lessons of two decades of experience in family struggles, labor strikes, and wars, he presents a bold new strategy for stopping fights. He also describes ten practical roles--as managers, teachers, parents, and citizens--that each of us can play every day to prevent destructive conflict.

The Third Side: Why We Fight and How We Can Stop: Ury ...

The Third Side was both fascinating and directive. I was surprised to find an anthropological look at violence throughout history. While he himself recognizes little evidence of violence before 10,000 years ago doesn't mean there wasn't violence, the important point is that people are just as capable of working through conflict peacefully as they are through violence, if not more so.
