### UK Scanner Frequencies

About UK Scanner frequency database. The DXZone is the largest human created and maintained library of web sites dedicated to Amateur Radio (Ham Radio), currently lists 20.000+ links organized into 600+ categories and subcategories. Ham Radio operators review new sites every day simply for potential inclusion in the Directory, and to evaluate the best place to list them.

### The UK Scanning Directory - 9th Edition

UK Digital Standard, and the TRX-2 covers this mode so you will be able to listen to digital and analogue users on the TRX-2. If you have been listening to a user on a normal analogue scanner and have noticed the voice has turned to a data type noise then it's most likely the user has switched to digital.
