The Writing of the Disaster, by Blanchot (1980/1986) . Summary Edit. Amidst the horrors and disasters of modernity, this book attempts to figure out the most serious task of writing--how to write about, how to use words to describe, or explain, or (possibly redeem?), and when is it possible, and when is it not possible.

The Writing Of The Disaster

The Writing of the Disaster is an immensely difficult text- a text which deals with issues as totalizing as writing, the holocaust, and the text itself.

Blanchot's style is naturally Nietzschean,

2 Disaster cannot be reduced to viewing events as a cataclysm of History, but to make writing itself a place where disaster manifests itself as such. More than a writing of survivors, disaster is the place where revenants express themselves. A ghostly language that has incorporated the voice of those who disappeared.
