In the second chapter of "They Say I Say" Graff and Birkenstein discuss the art of summarizing. They state the importance of summarizing others work but having it tie in with your own ideas. Commenting and building off others with summarized ideas are essential for making a sound argument but it is also important not to focus on others ideas without stating your own opinion.

### They Say I Say Chapter 2 Summary | jretting

"They Say / I Say" shows that writing well means mastering some key rhetorical moves, the most important of which involves summarizing what others have said ("they say") to set up one's own argument ("I say"). In addition to explaining the basic moves, this book provides writing templates that show students explicitly how to make these moves in their own writing.
