The Magic Mountain is a novel by Thomas Mann, first published in November 1924. It is widely considered to be one of the most influential works of 20th century German literature. The narrative opens in the decade before World War I.

The Magic Mountain | work by Mann | Britannica

The Magic Mountain, published in 1924, is not a historical novel but a novel about history—about a time just past whose ramifications have yet to fully unfold. Mann chillingly foresaw the disintegrating faith in reason and the corresponding surrender to the irrational that only a few years later produced Adolf Hitler and caused Mann's own books to be burned in

The Magic Mountain is also a novel about disease, not merely of individuals, but also of a whole age. Where disease appears as the prerequisite of spiritual growth, Mann plays his favorite theme of the polarity between spirit and life; the transcendence of this polarity in the name of humanism is central to the novel.

Book review -- THE MAGIC MOUNTAIN By Thomas Mann

"I preferred to compose The Magic Mountain instead," he declared, "for had I agreed to stay there, I may still be up there now." It is not by accident that the political dimension of this novel, which will assume a central position in Hans Castorp's educational process, is introduced through an Austrian aristocrat.
