### Primal Myths

Since its first edition, published in 2005, Hall ' s book Literature in Language Education had been a source of information and ideas I recurrently went back to when doing my own research. For over a decade, it served as a valuable point of reference for academics and practitioners interested in the use of literature in English language teaching.

### Professor Michael Toolan - Artsweb

Integrationalists such as Michael Toolan, however, focus instead on how language functions in seamless tandem with the rest of human activity. In Total Speech, Toolan provides a clear and comprehensive account of integrationalism, a major new theory of language that declines to accept that text and context, language and world, are distinct and stable categories.
